Coin set 2018

The 2018 coin set includes Denmark's coin series minted in 2018. The coin set contains the 50-øre and the 1-, 2-, 5-, 10- and 20-krone. The coins are minted especially for the coin set and are of a higher quality than ordinary circulating coins.

2018 theme – Danmarks Nationalbank's 200th anniversary

Danmarks Nationalbank was established in 1818, and this year the 200th anniversary was celebrated with a

number of activities. The anniversary is also this year's theme which describes the 200-year history of the coins. The coins are presented in an exclusive booklet with Danmarks Nationalbank's special anniversary design. Limited edition of kr. 200.

The coin set is a perfect gift idea for families and coin collectors.

Coin set 2018 proof version

The 2018 proof coin set is presented in an exclusive case with the special Danmarks Nationalbank 200th anniversary logo.

Coin set 2018 proof version is minted in a limited edition of kr. 875.
