JUNE 2017

## Golden wedding anniversary

COMMEMORATIVE COIN WITH NEW PORTRAIT WILL BE ISSUED 7 JUNE 2017

To mark the golden wedding anniversary of Her Majesty Queen Margrethe II and His Royal Highness Prince Henrik on 10 June 2017, Danmarks Nationalbank will issue a commemorative coin.

The coin will be minted as a silver 500-krone coin, a 20-krone circulation coin and a 20-krone coin in a proof version with a very sharply embossed motif.

Each of the silver and proof coins will be supplied in a case and in a box with an information leaflet. The box will be decorated with a heart, the mark of the Royal Danish Mint.

The commemorative coin features a portrait of the couple, with the Queen and the Prince in three quarter profile, facing each other.

The reverse motif is the joint monogram of the Queen and the Prince. Above it, the date and the years of the wedding and anniversary are shown. Below the monogram is the Mint's heart, which is also the symbol of love.

Medallist Henrik Wiberg has sculpted the portrait and reproduced the joint monogram.

The coins are legal tender and can be exchanged at Danmarks Nationalbank at face value.

All versions of the commemorative coin will be on sale from 7 June 2017 from Danmarks Nationalbank and the Royal Danish Mint's webshop.
